

HolidayActivities

Engage eligible families in your community

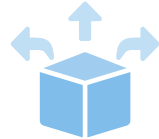

A dedicated platform to run and report your local authorities' Holiday Activities and Food (HAF) programme

Reach more eligible families by using schools' live data to distribute HAF vouchers.

Access live and detailed DfE compliant reporting.

Control the purchase and distribution of vouchers.

View a child's 16-digit unique identifiable code on each voucher.

Utilise our simple booking system, or promote one you already use.

Empower parents to browse, book and manage their own bookings.

1m+ Eligible families reached

60+ Local authorities supported

£200m+ Vouchers issued

25k+ Schools supported

Proven reliability and trust

With **HolidayActivities**, local authorities across the UK have been able to reach over a **million** eligible families, enabling them to access and engage their children in sports and activities during the school holidays.

Simple and secure

Due to our unique integration with schools, via our sister company Wonde, we can securely access relevant data such as Free School Meal (FSM) eligibility within minutes. This enables your schools to quickly and easily identify eligible families and send HAF vouchers directly via text or email in just a few clicks.

Using secure link login there's no need to remember passwords, simply enter your email and receive a secure link to access your account.

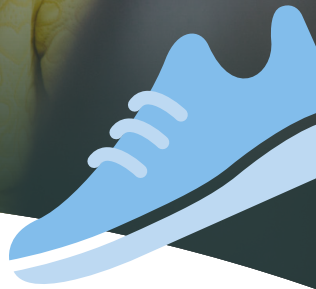

Platform partnership

You will have first-line support with a dedicated account manager for all your queries, onboarding and training needs. During the onboarding process our in-house support team handles all school and provider setups and supports them throughout the process.

- ✔ Dedicated account management
- ✔ Onboarding support for you, your team, providers, and parents
- ✔ Continual reviews for improved efficiencies

All-in-one platform

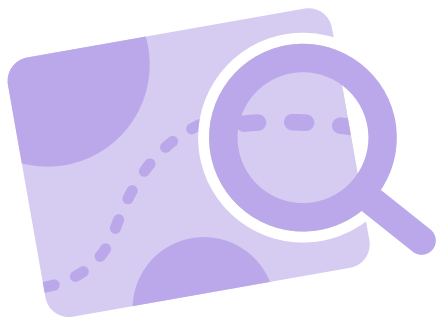

Control and visibility

The HolidayActivities platform simplifies and automates your administration. Our bookings dashboard provides a full overview of statistics and live reporting for DfE compliance. Rest assured our platform regularly updates in line with any DfE requirements.

Our booking features include

- ✔ Reporting tools
- ✔ Full overview of activities available.
- ✔ Who has booked a place.
- ✔ Available spaces remaining.
- ✔ Waiting list options.
- ✔ Booking parameters.
- ✔ Personalisation of vouchers
- ✔ And much more!

Hassle free bookings

Parents can easily and securely access their HAF vouchers, they can manage their own bookings, search by activity type, location, SEND requirements and communicate directly with providers.

Once an activity is booked, parents will receive confirmation emails and reminder notifications of their upcoming bookings.
